Security Message for U.S. Citizens

Potential Demonstration tomorrow

June 23, 2014

The International Crime Tribunal is scheduled to announce the verdict of Jamat-e-Islami (JI) Chief Matiur Rahman Nizami tomorrow at noon. There is a potential for demonstrations to be initiated throughout the country which could lead to street violence. Historically, there have been random demonstrations and violence during the evenings prior to the announcement and throughout the day of the announcement of verdicts. As always, remain vigilant, avoid crowds and be aware of your surroundings at all times. Even demonstrations intended to be peaceful can turn confrontational and escalate into violence. You should avoid areas of demonstrations, and exercise caution if in the vicinity of any large gatherings, protests, or demonstrations.

Review your personal security plans; remain aware of your surroundings, including local events; and monitor local news stations for updates. Maintain a high level of vigilance and take appropriate steps to enhance your personal security and follow instructions of local authorities.

We strongly recommend that U.S. citizens traveling to or residing in Bangladesh enroll in the Department of State's [Smart Traveler Enrollment Program \(STEP\)](#).
